PROBLEM STATEMENT

Hunger and poverty is a serious issue faced by the people around the world which can only be overcome by providing employment and ensuring food security to everyone.

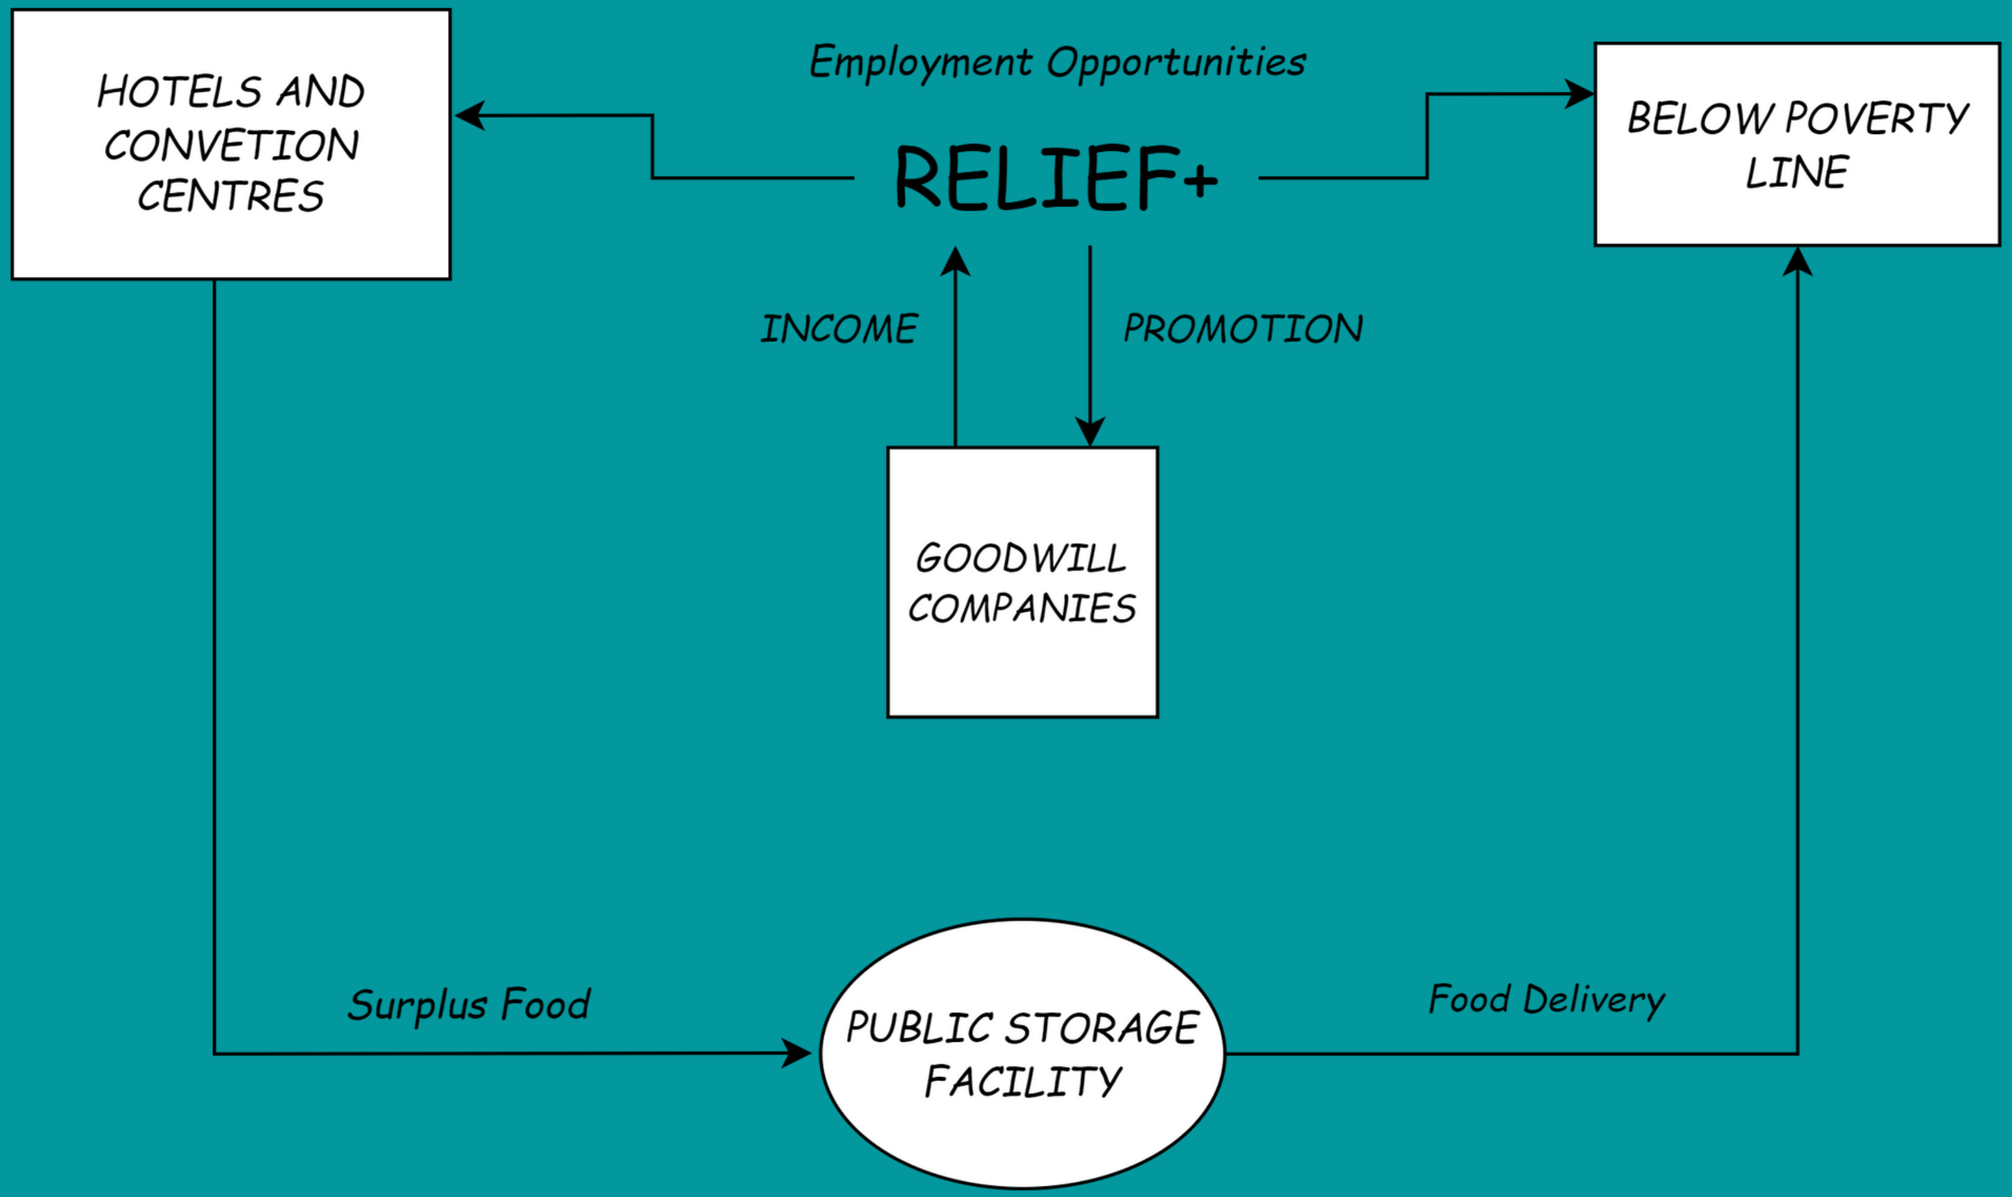
RELIEF +
CODING CRUSADERS

SOLUTION

- Collecting surplus food from hotels and convention centres
- Provide temporary or permanent employment to the below poverty line people
- A public food storage facility
- Reduce food wastage

FEATURES

- Tie up with goodwill companies and promoting them
- Income for the organization from goodwill companies and convention centres
- Public food storage facility



HOTELS AND CONVETION CENTRES
Employment Opportunities
RELIEF+
BELOW POVERTY LINE
INCOME
PROMOTION
GOODWILL COMPANIES
Surplus Food
PUBLIC STORAGE FACILITY
Food Delivery

- Funds are obtained from the goodwill company mainly.
- The goodwill company can join the Relief+ program only on a contract basis
- This will help the organisation to provide a continued fixed salary to the employees

- Our Relief + website mainly has a user (sponsor) interface and an interface used by the covention centres, hotels etc.

In the user interface, donation and volunteer option are available:

- A fixed amount from donation will be saved
- After a fixed value ---> extra money will be distributed as bonus

PUBLIC STORAGE FACILITY

CONSTRAINTS

- Food Scarcity
  - > Donations and volunteering
- Delivery
  - > local people to deliver food to the nearest locations
  - > localised public storage facility
  - > government assistance in case of disaster
- Disposal
  - > Tie-up with waste management system in nearby places

- Localize public storage facility
- Helps in providing storage facility and also delivery services to different organization
- During extreme weather condition or natural disaster, provide assistance to the government in providing food
- Get government reinforcements to deliver food to different sectors during tough environment conditions
